Building Valuation: Based on valuation, determined by group and type of construction, Appendix B and Building Valuation Data Table (Schedule B); includes vinyl siding - method based on updated Building Value Data Sheet using 100% of calculated value.

Refunding of Permit Fees: 50% of the paid permit fee may be refunded provided no inspections have been made.

Credit Card use convenience fee: 2.70 Percent (2.70%) of amount charged. Bounced Check/Insufficient Funds Fee

State Surcharges: Department of Community Affairs Surcharge: 1.00 Percent (1.00%) with a minimum charge of \$2.00 for each permit. This applies to all building & sub-permits.

Department of Business & Professional Regulation Surcharge: 1.50 Percent (1.50%) with a minimum charge of \$2.00 for each permit. This applies to all building & sub-permits.

Conflicts: When the contractor's cost and the valuation table are in conflict, the permit will be based on the higher of the two values. Permits for structures and renovations of nature that do not have a square foot floor area will be based on the contractor's cost. Fees charged for enforcement of the Florida Building Code on buildings, structures and facilities of state universities, state colleges, and public school districts shall not be more than the actual labor and administration costs incurred for plans review and inspections to ensure compliance with the Code.

Insufficient Funds: You have 15 days from the date of this notice to tender payment in the full amount of the check plus a service charge of \$25 if the face value does not exceed \$50, \$30 if the face value exceeds \$50 but does not exceed \$300, \$40 if the face value exceeds \$300, or 5 percent of the face amount of the check,

If an applicant uses a private provider for inspection services a 60% discount will be applied to the corresponding building permit fees.
