**RE: Addendum #4 25-18 Sherman Ave. Improvements 11<sup>th</sup> street to 15<sup>th</sup> street.**

Please accept this as Addendum No. 4 for the above referenced solicitation.

The following questions have been received. The County's answers follow in **bold**.

1. FDOT pay item 285 – optional base groups is a plan quantity pay item. Our calculations result in a 350 +/- sy overrun of base material at the driveways, should it be required. Based on addendum #3 we are to disregard any base requirements beneath the driveways and it will either be a change order or pay item 285 will be treated as a unit price item. Can you please confirm? **If base material is needed beneath driveways, pay item 285 will be used. Pay item 285 will be treated as a unit price item.**

All respondents shall acknowledge receipt of this addendum by signing and submitting, with their bid, the addendum acknowledgement form included in the Bid package.
