Permit Search

Search for Permits ☺

Search:

Go!

Begin typing an application number, address, Parcel number or name/address of a contact on the permit and we will search existing permits. If the item you are searching for appears, please select it from the list.

ALL INFORMATION ABOUT THAT PROPERTY WILL SHOW UP INCLUDING ANY DOCUMENTS OR IMAGES RELATED TO THE PERMIT ON THE PROPERTY

Click on [Permit Status](#) to open the permit and scroll through to see all of the information for the selected permit.

Anything we have for that permit will be located under [Documents & Images](#) ☺

If you are unable to click on the name of the file under documents & images you will need to contact the office to have a permit technician make those files visible (*this step should only apply on older permits*)

Searches by Owner name / Contractor Name you must be signed in as a [registered portal user](#)
