

Guidelines for making a Pre-proposal presentation to the Bay County RESTORE Act Advisory Committee

2014-11-04

Re: Presentations on Pre-Proposals to the Bay County RESTORE committee

Bay County RESTORE Act Advisory Committee meeting Wednesday, November 12, 1:30 pm CT. County Commission Chambers, 840 West 11th Street, Panama City, FL.

To submitters of pre-proposals for Bay County RESTORE Act funds:

Thank you for submitting a pre-proposal for Bay County RESTORE Act funds. We received 47 pre-proposals, requesting a total of \$45.8 million; approximately \$6 million is available.

Submitters of pre-proposals for Bay County Gulf Coast Restoration Trust Fund (RESTORE) Direct Component (Pot 1) funds will have the opportunity to make a presentation to the RESTORE Act Advisory Committee at its November 12 meeting. Submitters are not required to make a presentation, but it could enhance the chance of a pre-proposal being selected. A maximum of five minutes is allotted per pre-proposal. Please send an email to RESTOREproposals@baycountyfl.gov and indicate whether you plan to make a presentation.

A list of the 47 pre-proposals received and links to each is available at <http://www.baycountyfl.gov/restore/pre-proposals.php>. A map of the pre-proposals can be viewed at <http://tinyurl.com/BayRESTOREpre-proposalMap>.

Presenter

It is the submitter's choice as to who will make the pre-proposal presentation. Choose whomever you think will make the best presentation. We suggest you focus on the most important and relevant information, including information that was not included in the pre-proposal. Please be prepared to answer questions the Committee may have.

Content

In preparing your presentation, you may wish to review Bay County's Multi-Year Implementation Plan for RESTORE Direct Component funds. The RESTORE Act eligible activities, guiding principles for the Bay County RESTORE Act Advisory Committee, and the plan's goals and objectives are especially pertinent. This information is accessible through links on the Pre-proposal web page <http://baycountyfl.gov/restore/preproposal.php>. The page also includes a description of the selection process.

Presentation files

Some presenters may wish to project an electronic file during their presentation. We can accommodate PowerPoint or pdf format files. Please let me know if you plan to use any other format. Files should be emailed no later than noon, Monday, November 10 to <https://baycountyfl.sharefile.com/r/rb06f0bf52a34b819>. We will acknowledge receipt of your file.

Please name your presentation file using the proposal number assigned to your pre-proposal (see the web page listing all pre-proposals) and a brief project name, e.g. Bay PRP 2014-004 NB Collection.

Interested Parties List

You may wish to be on the Bay County RESTORE Act interested parties email list. Subscribers receive 2-3 emails per month about Gulf restoration, especially as it pertains to Bay County. If you wish to be on the list, please send a request to subscribe.

If you have any questions, please contact RESTOREproposals@baycountyfl.gov
