THE VISION

CERTIFICATE

in Environmental Science

& Public Policy

MINOR

in Environmental Science

& Public Policy

THE REASON

Prepare for the future: Ensure continued growth in an environmentally smart manner:

- **The Florida Water and Land Conservation Initiative, Amendment 1**
- **Workforce Development and Job Creation**
- **Promote Low impact Development by planning assistance**

THE TEAM

FLORIDA STATE UNIVERSITY
PANAMA CITY

THE PRIORITY #1

Meet the needs of our growing community by promoting **low-impact** development by creating locals who understand the fundamental parameters of **sound environmental practices and policy** that directly effects their home.

THE PRIORITY #1

PROACTIVE

Planning for the growth of Bay County by creating a new field of study, assisting in new employment for local jobs and ensuring that we stay ahead of state requirement as it relate to new legislation.

The background of the top section features a photograph of tall, thin grasses in the foreground, with a sunset or sunrise in the background. The sun is a bright, glowing orb partially obscured by the grass. In the distance, a bridge or pier structure is visible against the horizon. Overlaid on the right side of the image is a white icon of a checklist with three horizontal lines and a checkmark at the bottom right.

THE PLAN

Promote growth and know how to manage and guide it to preserve Bay County's most valuable assets for our future and the future of our economic success.

THE FUTURE
