Subject Property: 2347 PRETTY BAYOU DR, PANAMA CITY, FL
Property ID Number: 26977-010-000

Dear Property Owner:

The above-referenced property has been identified as having significant damage from Hurricane Michael, and is in need of repair.

At our last inspection on July 10, 2020, this property was determined to be in violation of Bay County Code Section 17-2 in the form of an unfit/unsafe structure.

The following action must be taken to correct the above stated violations:

- Unsafe conditions must be corrected. A detailed action plan and scope of work from a licensed structural engineer will be required before building permits may be obtained and work can begin.
- Alternatively, the structure may be demolished, and all debris removed from the property. A demolition permit must be obtained from Bay County Builders Services prior to beginning work.

This correspondence will serve as official notification that the above stated violations must be corrected before **August 11, 2020**.

This case is scheduled to be presented to the Special Magistrate for Bay County at the hearing on August 12, 2020, at 1:00 PM CST at the Bay County Government Center located at 840 W. 11th St., Panama City, Florida. If found in violation, the Magistrate may order the violations be corrected. Fines, liens or special assessments may be placed on the property for noncompliance and/or the costs of abatement, repair or demolition by the County.

Sincerely,

BILL WILLIAMS
