DETERMINATION OF DRI COMPLIANCE SUBMITTAL REQUIREMENTS

Applicant and site plan information must be submitted in sufficient adequacy and detail so as to allow staff determination of compliance with the applicable development standards of the following chapters of the Bay County Land Development Regulations:

Chapter 23 – Site Preparation

Chapter 24 – Drainage and Stormwater Management

Chapter 25 – Parking and On-Site Circulation

Chapter 26 – Roadway and Driveways

Chapter 27 – Utilities

Chapter 28 – Landscaping and Buffers

General Information:

1. Submit a completed Development Order application, providing the required information as applicable. (See Development Order application revised 10/09)
 - a. All applications must be signed by the owner of the subject property or authorized agent.
 - b. Submittal requires a fee of \$220.00. Upon review, an application may be determined to require a transportation analysis for which an additional fee may be assessed.
 - c. All applications must be submitted following the same guidelines as submittal for a regular Development Order.
 - d. On submittal request letter please denote application is for Determination of Compliance for development in the DRI.
