Re: Case Number CE20-00025
Subject Property: 6513 WAVERLY ST, PANAMA CITY, FL
Property ID Number: 05450-071-000

Dear Property Owner:

An inspection by our Division has determined the property listed above is in violation of Bay County Code Section 17-2 – Prohibitions – in the form of an unfit and unsafe mobile home, unfit and unsafe accessory structures, trash, debris, derelict vehicles and derelict watercraft.

The following action must be taken to correct the above stated violation:

- 1. Unsafe conditions as indicated in the enclosed building inspection report must be corrected. The repair and remodeling of mobile/manufactured homes requires materials and design equivalent to the original construction. A detailed action plan, scope of work and approval from the home manufacturer will be required before building permits may be obtained and work can begin.
2. Alternatively, the structure may be demolished, and all debris removed from the property. A demolition permit must be obtained from Bay County Builders Services prior to beginning work.
3. All trash and debris must be removed from the property and disposed of lawfully.
4. Derelict vehicles and derelict water craft must be stored in an enclosed structure, made operable with current registration, or removed from the property.
5. All unscreened, unused personal property must be screened, properly stored, or removed from the property.

This correspondence will serve as official notification that the above stated violations must be corrected before the date mentioned below.

This case is scheduled to be presented to the Bay County Code Enforcement Board at the meeting on March 4, 2021 at 3:00 p.m., at the Bay County Government Center located at 840 W. 11th St., Panama City, Florida. If found in violation, the Board may order the violations be corrected. Fines, liens or special assessments may be placed on the property for noncompliance and/or the costs of abatement, repair or demolition by the County.
