

Bayline Drive Public Drop-off Center

6510 Bayline Drive
Panama City, FL 32404

Hours:

Monday - Saturday, 7:00 a.m. to 4:30 p.m.
Sundays 7:00 a.m. until Noon

Bayline Drive Public Participation Center is operated to provide disposal services to residents who may live in the northern and eastern part of Bay County.

This facility offers limited services as compared to the Steelfield Road Landfill. The facility will only accept small loads of household garbage and trash from **residential** customers.

Commercial waste is not accepted at this location. Residents with large loads of materials or large and bulky items must utilize the Steelfield Road Landfill.

Bayline Residential rates

Household Garbage or Trash/Flat Rate	\$5.00
Yard Debris/Flat Rate	\$5.00
Construction Debris/Flat Rate	\$5.00
Discount Punch Card Sales*	\$30.00

*Discount punch card can be used by Bay County residents for the disposal of small quantities of household garbage and trash instead of paying the standard flat rate charge. The cards are valid for 26 visits. They do not have an expiration date. The customers must be citizens of Bay County in order to purchase. Proof of residency is required at the time of purchase.

Bay County Solid Waste Disposal Guide

Operated as an "Enterprise Fund" utilizing tipping fee revenue and not your tax dollars

Steelfield Road Landfill

**11411 Landfill Road
Panama City Beach, FL 32413**

Scalehouse: 850-233-5062
Administration: 850-236-2212

Hours: Monday through Saturday
7:00 a.m. to 4:30 p.m.

The Steelfield Road Landfill can accept most items that are generated from a traditional household. However, State and Federal regulations do dictate that certain items have different disposal restrictions than others.

Household garbage (kitchen garbage), trash items like swing sets, furniture, boats, construction debris, will all be disposed of in the same area at the landfill.

Yard Debris (vegetative waste such as leaves, brush, whole trees and tree trimmings) cannot be traditionally landfilled and has to be deposited in a separate area.

Large tractor (farm style) or off-road type tires are accepted at the landfill and can be legally disposed of there. Waste tires, such as those that come off of a vehicle, cannot be legally landfilled. They are accepted at the landfill but must be deposited in a separate area.

Appliances such as refrigerators, stoves, and washing machines cannot be legally landfilled. They are accepted at the landfill but must be disposed of in a separate area.

Household Hazardous Waste such as cleaners, pesticides, herbicides, paints, gasoline, used oil and batteries are all accepted at the landfill. They are not landfilled but are segregated at our Household Hazardous Waste Facility for proper disposal or recycling.
