Prospective Respondents

**RE: Addendum #4 22-27 Bay County Government Center Building  
Generator Re-Bid**

Please accept this as Addendum No. 4 for the above referenced solicitation.

For clarification purposes only, the following question is being answered to clarify addendum #3.

- 1) We need to confirm the "Usage" number is the watt demand (peak watt demand) for the given month. For example:  
Oct-20:  
Usage = 279,600  
Is this number 279.6kwd?  
Meaning, 279.6-kilowatt demand (peak) for Oct?  
Please confirm. **The Usage listed in the FY21 Billing History was total Kwh usage. Below are pages from the five power bills we have available showing the breakdown of the Kwh usage that the power company provided to us.**

All respondents shall acknowledge receipt of this addendum by signing and submitting, with their bid, the addendum acknowledgement form included in the Bid package.

Regards,

Scott Nabers  
Contracts Administrator
