Prospective Respondents

**RE: Addendum #6 22-23 Williams Bayou Pump Station Generator and
Utility Mitigation Project 4399-016-R**

Please accept this as Addendum No. 6 for the above referenced solicitation.

The following question has been received. The County's answer follows in **bold**.

- 1) In response to question #29 regarding VFD rated motors, it was stated that (5) of the (7) motors are to be replaced later this year. Will the new motors be sized exactly the same as the existing motors or is it anticipated that larger motors might be installed? **The existing motors will be replaced in-kind (same HP) with inverter rated motors.**
- 2) According to Addendum #5, the bid date for this project was extended to March 3rd. Will the allowable period for questions be extended as well? **Yes, the questions due date has been extended to Friday, February 18, 2022 at 5:00 pm Central Time.**

All respondents shall acknowledge receipt of this addendum by signing and submitting, with their bid, the addendum acknowledgement form included in the Bid package.
